The Lodge
– Premium Room

1 1

Surrounded by jacaranda trees and landscaped gardens whilst being close to both the city parklands and the cafés and boutique shopping in Hyde Park, The Lodge enjoys one of Adelaide's finest addresses. Recent extensive renovations have created bespoke aged care facilities whilst maintaining the traditional character of the elegant original buildings. A secure support unit supports residents who need specialised dementia care and a family room with private bathroom is available for family members and friends to stay overnight.

All meals are cooked on-site daily by our chef with cooked meals served for breakfast and three courses served for lunch and dinner each day.

Health professionals, including a speech pathologist and podiatrist, visit regularly. Our physiotherapist and occupational therapist supervise the on-site gym which features specially designed equipment for building strength, increasing fitness and improving or maintaining mobility. There is also a varied social program that residents can choose to participate in including crafts, games and physical activities.

The Lodge's dedicated hairdresser also provides services to residents at the on-site salon.
